 Note: The domain name you are seeking to have registered must be derived from either the company name or business name.
 Note:- the ".com.au" and ".net.au" domain name registration body for Australia generally will not accept any other names.

Full Registered Company Name:- _____ ABN. _____
and / or
 Registered Business Name: _____

Aust. Registered Business N^o:- _____ State where registered:- _____ ABN. _____

Registered business address:- _____ Postcode:- _____

Address for mail (if not as above):- _____ Postcode:- _____

Business Phone Number :- () _____ Business Fax Number :- () _____

Directors names and addresses (attach additional sheet if more than three) :-

Directors name:- _____ Title:- _____

Directors name:- _____ Title:- _____

Directors name:- _____ Title:- _____

Nominate which Director is to receive correspondence on domain name(eg. invoices, reminders, queries) :- _____

Do you want:-
 Full domain hosting (includes registration of domain name, mail forwarding/filtering and web site hosting) – cost \$440.00 inc GST per annum
 or
 Mail Hosting only (includes registration of domain name, mail filtering and forwarding) – cost \$220.00 inc GST per annum

Do you already have a domain name (web site) registered to any of your companies?

Yes No What is the URL of the existing site? http://_____

Please accurately describe your company's main activities so we can register this web site with each of the Internet web search engines. This will enable others all around the world to search on a description of activities and (hopefully) be told of your company's name and web site address (URL). Also list here any brand names, trademarks, etc. (attach additional pages to this form if necessary).

List up to six e-mail addresses required for the new domain (ie. **fred@widgets.com.au** if you are registering "widgets.com.au" above):-

_____@_____ .com.au _____@_____ .com.au
 _____@_____ .com.au _____@_____ .com.au
 _____@_____ .com.au _____@_____ .com.au

Please fax this completed application to **(03) 9432-8397** or mail to **TECH INFO Pty Ltd, 61 Fernside Avenue, Briar Hill, Victoria, 3088**

TECH INFO Pty Ltd will carry out the configuration of your preferred domain name on our servers and register the name with the appropriate name registry. Registration approval and activation on the Internet normally takes 2 working days. Once the domain name is approved and active, TECH INFO Pty Ltd will mail you an invoice for immediate payment.
Note that this is an annual fee and is in addition to any internet access account you may already have with our service.
TECH INFO Pty Ltd will send your next invoice 2 weeks before the 12 month expiry date.
